

AVON CANADA INC.

5500 TRANS CANADA HIGHWAY • POINTE-CLAIRE, QUEBEC • H9R 4R3 • 514-630-8392 • FAX: 514-630-8390

To whom it may concern,

This is to confirm that the company, "Hansa Pac Enterprises Inc." has developed and fabricated several pieces of "specialty" equipment for Avon Canada over the past two years. Through their own R&D, and innovative approach to problem solving, including emphasis on high quality, they had demonstrated their capability to manufacture highly specialized, ergonomic, packaging equipment.

I have no reservations recommending "Hansa Pac Enterprises Inc." to any company with special equipment needs in their manufacturing and packaging process.
